

Auditor's statement in accordance with Chapter 18, Paragraph 6 of the Swedish Companies Act (2005:551) regarding dividend proposal

To the extraordinary general meeting in AB Electrolux, registration number 556009-4178 (*"the Company"*), we have reviewed the Board of Directors' statement dated 30 January, 2020, and proposal dated 5 December 2019.

Responsibilities of the Board of Directors for the statement and proposal

The Board of Directors is responsible for the preparation of the statement and the proposal in accordance with the Swedish Companies Act and for such internal control as the Board of Directors' determines is necessary to enable the preparation of the proposal free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the dividend based on our review. We conducted our review in accordance with FAR's auditing standard RevR 9 *The Auditor's Other Statements Pursuant to the Swedish Companies Act and the Companies Ordinance*. This standard requires that we plan and perform the examination to obtain reasonable assurance about whether the proposal is free from material misstatement. We as an auditing firm apply the International Standard on Quality Control, ISQC 1, and consequently have a comprehensive program for quality assurance, which includes documented guidelines and procedures for adherence to professional ethical requirements, professional auditing standards as well as other applicable legal and regulatory requirements.

We are independent of the Company in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled our professional ethical responsibilities in accordance with these requirements.

The review involves performing procedures to obtain evidence about financial and other information in the Board of Directors' statement and proposal. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the statement and the proposal, regardless of whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Board of Directors' preparation and fair presentation of the statement and the proposal in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. The review also includes evaluating the appropriateness and the reasonableness of the assumptions made by the Board of Directors. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our statement.

Statement

In our opinion, the statement gives a true and fair view and we recommend to the general meeting of shareholders that the profit be appropriated in accordance with the Board of Directors' proposal.

Other matter

The sole purpose of this statement is to fulfil the requirements of Chapter 18 of the Swedish Companies Act, and may not be used for any other purpose.
