Item 6 – Dividend and record date

On March 23, 2020, the Board of Directors announced its decision to withdraw the dividend proposal to the Annual General Meeting 2020 in light of the considerable uncertainty relating to the medium-term effects from the spread of the coronavirus. In addition, the Board of Directors also withdrew its proposal for a long-term incentive program for 2020. However, the Board of Directors also stated that the Board would consider calling an Extraordinary General Meeting later this year in order to resolve on a dividend should the global situation and the market conditions stabilize.

After assessing the company's financial position and the impact of the coronavirus pandemic, the Board of Directors has decided to propose a dividend for the financial year 2019.

The Board of Directors proposes a dividend for the financial year 2019 of SEK 7.00 per share. The dividend is proposed to be paid in one instalment with the record date Thursday, November 5, 2020. Subject to resolution by the Extraordinary General Meeting in accordance with this proposal, the dividend is expected to be distributed by Euroclear Sweden AB on Tuesday, November 10, 2020.

As of December 31, 2019, Electrolux non-restricted equity amounted to SEK 22,893,842 thousand. On February 21, 2020, an Extraordinary General Meeting resolved on a distribution of all the shares in the wholly-owned subsidiary Electrolux Professional AB (publ), reg.no. 556003-0354, including the underlying group, which reduced the non-restricted equity by SEK 7,749,120 thousand. Accordingly, the amount available for distribution under Chapter 17, Section 3, Paragraph 1 of the Swedish Companies Act, is SEK 15,144,722 thousand.

Item 7 – Implementation of a performance based long-term share program for 2020

The Board of Directors has also decided to propose a long-term incentive program for 2020. The proposal is identical to the proposal that was cancelled ahead of the Annual General Meeting 2020.

The Board is convinced that the proposed program will be beneficial to the company's shareholders as it will contribute to the possibilities to recruit and retain competent employees, is expected to increase the commitment and the motivation of the program participants and will strengthen the participants' ties to the Electrolux Group and its shareholders.

The Board of Directors proposes, in view of the above, that the Extraordinary General Meeting resolves to implement a performance based, long-term share program for 2020 (the "Share Program 2020") with the following principal terms and conditions:

- a) The program is proposed to include up to 350 senior managers and key employees of the Electrolux Group, who are divided into six groups; the President and CEO ("Group 1"), other members of Group Management ("Group 2"), and four additional groups for other senior managers and key employees ("Group 3-6"). Invitation to participate in the program shall be provided by Electrolux no later than on November 17, 2020.
- b) Participants are offered to be allocated Performance Shares, provided that the participant remains employed until January 1, 2023. Exemptions to this requirement may be prescribed in specific cases, including a participant's death, disability, retirement or the divestiture through a sale, spin-off or otherwise of the participant's employing company from the Electrolux Group.
- c) The Performance Shares shall be based on maximum performance values for each participant category. The maximum performance value for the participants

in Group 1 will be 100 per cent of the participant's annual base salary for 2020, for participants in Group 2, 90 per cent of the participant's annual base salary for 2020, for participants in Group 3, 80 per cent of the participant's annual base salary for 2020, for participants in Group 4, 60 per cent of the participant's annual base salary for 2020, for participants in Group 5, 50 per cent of the participant's annual base salary for 2020, and for participants in Group 6, 40 per cent of the participant's annual base salary for 2020. The total sum of the maximum values of the Performance Shares thus defined for all participants will not exceed SEK 376m excluding social costs.

- d) Each maximum value shall thereafter be converted into a maximum number of Performance Shares¹, based on the average closing price paid for Electrolux B-shares on Nasdaq Stockholm during a period of ten trading days before the day the participants are invited to participate in the program, reduced by the present value of estimated dividend payments for the period until shares are allotted.
- e) The calculation of the number of Performance Shares shall be connected to performance targets for the Group established by the Board for (i) earnings per share, (ii) return on net assets,² and (iii) CO₂ reduction³. The performance targets adopted by the Board will stipulate a minimum level and a maximum level, with the relative weight of the performance targets (i), (ii) and (iii) being 60 per cent, 20 per cent and 20 per cent respectively.
- f) The performance period is the financial year 2020 with respect to performance targets (i) and (ii) and the financial years 2020–2022 with respect to performance target (iii). Performance outcome of the established performance targets will be determined by the Board after the expiry of the performance period for the respective performance target. If the maximum performance level is reached or exceeded, the allocation will amount to (and will not exceed) the maximum number of Performance Shares following from c) and d). If performance is below the maximum level but exceeds the minimum level, a proportionate allocation of shares will be made. No allocation will be made if performance amounts to or is below the minimum level. Information on the performance targets and the outcome will be provided no later than in connection with the allocation of Performance Shares in accordance with h).
- g) The total award of Performance Shares may never exceed one (1) per cent of the total number of shares in Electrolux. If required, allotments shall be reduced to ensure that this dilution cap is observed.
- h) If all conditions in the Share Program 2020 are met, allocation of Performance Shares will take place in the first half of 2023. Allocation will be free of charge except for tax liabilities.
- i) Certain deviations in or adjustments of the terms and conditions for the Share Program 2020 may be made based on local rules and regulations as well as applicable market practice or market conditions or where appropriate due to group re-organizations, including cash settlement instead of delivery of shares under certain circumstances.
- j) The Board of Directors, or a committee established by the Board for these purposes, shall be responsible for the preparation and management of the Share Program 2020, within the framework of the aforementioned terms and conditions.

¹ With a possibility for the Board of Directors to make adjustments for extraordinary events such as bonus issue, split, rights issue and/or other similar events.

² With a possibility for the Board of Directors to make adjustments to (i) and (ii) for extraordinary events.

³ The CO₂ reduction target refers to greenhouse gas reductions within the following three areas: (i) manufacturing, (ii) energy for product use, and (iii) use of hydrofluorocarbons (HFCs), and will be measured on selected predefined product categories and regions.

- k) If material changes would occur within the Electrolux Group or on the market that, according to the Board's assessment, would lead to the conditions for allocation of Performance Shares no longer being reasonable, the Board will have the right to make also other adjustments of the Share Program 2020, including e.g. a right to resolve on a reduced allotment of shares.

Costs for the Share Program 2020

The total costs for the Share Program 2020 if the maximum number of Performance Shares are delivered, are estimated to a maximum of SEK 409m, which corresponds to approximately 2.0 per cent of total employment cost for 2019. The costs will be recognized over the years 2020-2022. The costs have been calculated as the sum of salary costs, including social costs, and administration costs for the program. Administration costs are estimated to be less than SEK 1m. If no allotment of shares is made, only administration costs will arise.

The costs have been calculated based on the value, at the start of the program, of the Performance Shares that may be allotted at maximum performance, with a reduction of the present value of estimated dividend payments during a three-year period. The estimate on maximum costs assumes maximum performance and that the number of participants that will leave the Group during the performance period is the same as the historical average since the introduction of share programs in 2004. In the calculation, a maximum share price of SEK 270 per share has been applied.

If repurchased shares are allocated under the program the number of outstanding shares is estimated to increase with not more than 2,733,000 B-shares.⁴ Such maximum increase would have a dilutive effect on earnings per share of approximately 0.94 per cent. The total maximum increase in the number of outstanding shares of all outstanding share programs is estimated to not more than 2,754,500 B-shares, corresponding to a dilutive effect on earnings per share of approximately 0.95 per cent. In this calculation, maximum allotment of shares has been assumed for Share Program 2020 and expected allotment has been assumed for the share programs for 2018 and 2019.

Hedging measures for the Share Program 2020

The Board of Directors does not currently propose any method for securing the undertakings under the Share Program 2020. Delivery of Performance Shares in accordance with the terms of the Share Program 2020 will take place in 2023.

Preparation of the proposal for the Share Program 2020

The proposal regarding the Share Program 2020 has been prepared by the Remuneration Committee and the Board of Directors.
