

Auditor's opinion pursuant to Chapter 20, section 14 of the Swedish Companies Act (2005:551) regarding the Board of Directors' statement on special redemption conditions, etc.

To the general meeting of the shareholders of AB Electrolux (publ), corporate identity number 556009-4178

We have examined the statement of the Board of Directors relating to special redemption conditions dated January 27, 2022.

Responsibilities of the Board of Directors for the statement

The Board of Directors are responsible for the preparation of the statement on special redemption conditions in accordance with the Swedish Companies Act, and for such internal control that the Board of Directors deem necessary in order to prepare the statement without material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on the statement on special redemption conditions based on our examination. We have performed the examination in accordance with FAR's recommendation RevR 9 *The Auditor's Other Statements Pursuant to the Swedish Companies Act and the Companies Ordinance*. This recommendation requires that we plan and perform the examination to obtain reasonable assurance about whether the statement is free from material misstatement. The audit firm applies ISQC 1 (International Standard on Quality Control), and accordingly maintain a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

We are independent of AB Electrolux (publ) in accordance with professional ethics for accountants in Sweden and have otherwise fulfilled our ethical responsibilities in accordance with these requirements.

The examination involves obtaining evidence about financial and other information in the Board of Directors' statement. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the statement, whether due to fraud or error. In carrying out this risk assessment, the auditor considers those elements of internal control that are relevant to the preparation of the statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of those internal controls. The examination also includes an evaluation of the appropriateness and reasonableness of the assumptions made by the Board of Directors. We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the statement of the Board of Directors and the measures taken to ensure that neither the restricted equity nor the share capital of the company decrease, are appropriate, and that the assessments made regarding the effects of these measures are correct.

Other matters

The sole purpose of this statement is to fulfill the requirements stated in Chapter 20, Section 14 of the Swedish Companies Act and may not be used for any other purpose.
